

Hungarian

This is a guide for you as a Hungarian speaker as you go through the Pronunciation Pro Course.

To get the most out of your membership, follow the Pronunciation Pro Course module by module and add any necessary bonus lessons.

Lessons that may be omitted from the 12-module course for Hungarian speakers include:

- Module 3: Initial, Medial, & Final /L/ & /N/
- However, please still review the Word Stress lesson from Module 3

COMMON ERRORS

Below you will find some common error sounds and patterns specifically for Hungarian speakers. These common errors can help you better understand your own speech patterns and areas to focus on as you improve your English pronunciation and fluency.

You might not have issues with all of these sounds. If you would like a more customized assessment of your speech, please contact us for a Full Accent Assessment from our certified American Trainers.
